## Election Required in Six County Divisions

Elections for county councillors in six divisions of the new County of Stony Plain will be held on Saturday, November 30th.

The nomination of Ivan Vowk in Division 7 was unopposed and he was declared elected by acclamation by Returning Officer, George Gamble at the close of nominations at noon Saturday in Stony Plain.

Two or more candidates are seeking election in all other divisions.

In Division 1, Robert Bailey,

a member of the present M.D. Council, is opposed by Bernard Beurlein. In Division 2, Leslie Miller, also a member of the present council, is opposed by Willaim Albrecht.

Division 3 has three candidates, Peter Bakker, William Fielhaber and George Martin. In Division 4, M.D. Council member Robert Akins is competing with Roy Lent and Marion Ivan, a member of the present Stony Plain School Board.

Albert George Mann and August Reich are seeking election in Division 5.

In Division 6, Stony Plain M.D. Reeve, Rudolf Zander is seeking re-election and contesting with Jack Thomas and Gaston Jouan, also a member of the present School Board.

Mr. Vowk, who was elected in Division 7, farms in the Easyford district four miles north and six miles west of Drayton Valley. He has lived in the area most of his life.

Mr. Vowk, 39, is married and has two children. This is his first venture in municipal administration.

### Remembrance Day Service Planned

Remembrance Day services will be held on Monday, November 11th in the Cardium Theatre.

The parade to the theatre will start at the Legion Hall at 10:15 a.m. Those taking part in the parade are asked to be there before that time for coffee and doughnuts before "fall-in".

Those attending the services in the Cardium Theatre are asked to be seated by 10:25 to avoid the congestion when the parade arrives.

Air Cadets, boys and girls organizations and Legion members and Auxiliary will be taking part in the parade. Parade Marshal is Maurice McCullagh and the Officer in Charge, Hubert Davidson.

### PLAN BONSPIEL

The Drayton Valley Branch of the Canadian Legion is planning a mixed bonspiel for Sunday, November 29th. Members are asked to contact either Don Booker, 542-4167 or Bill Johnanson, 542-3731.

"Happily, we ended this year out of the red - We have a net profit of 16 cents."

## District Youth Wins 4-H Conference Trip

Nineteen-year old Lucas Piskunowicz of Burtonsville will leave next week on a trip that culminates six years work in the Tomahawk 4-H Beef Club. He has been selected as one of 14 Alberta delegates to the 37th National 4-H Club Conference in Eastern Canada.

He will leave by Air on November 13th for Ottawa and will spend six days in the capital and Toronto. In Ottawa the young people will stay in the Chateau Laurier and in Toronto, the Royal York.

Many interesting events are planned for the two-day visit to Ottawa, highlighted by the presentation of Canadian Citizenship papers to the delegates by Governor General Roland Mitchell.

They will also meet Prime Minister Trudeau and sit in on one session of the House of Commons. The Ottawa visit will also feature a round of sight-seeing, banquets and receptions.

After two days in Ottawa, the group moves on to Toronto for another interesting schedule that will include visits to Niagara Falls, the Royal Ontario Museum, the Royal Winter Fair and the Horse Show at O'Keefe Centre.

Lucas is also looking forward to the Saturday night NHL game between Toronto and the Chicago Black Hawks.

The trip to the National Conference has been the goal Lucas aimed for throughout his six years in 4-H and besides attaining it this year he received an additional honor in being selected one of the two Alberta "delegate representatives" and will serve as a councillor for the group.

The selection was made by the Alberta Department of Youth and the Canadian Council of 4-H. The delegate representatives will provide liaison between delegates and the administration.

As a 4-H member Lucas has

enjoyed a great deal of success in club and inter-club competitions. During his six years membership he won three trips to Olds and another to Vermilion, where he won a \$100 scholarship toward furthering his education in agriculture.

Many trophies have come his way, starting with the club record keeping trophy in his first year. He won the club grand championship three years in a row and in 1965 won the inter-club grand championship in the combined Achievement Day of the Lobstick, Drayton Valley, and Tomahawk clubs.

He also won the Tomahawk club efficiency award on five occasions and record keeping trophy four times.

Selection of the 14 Alberta delegates to the National Conference was made during club week at Olds. The winners were judged on 4-H knowledge, world affairs, public speaking, project work and general knowledge.

Lucas, the son of Mr. and Mrs. Paul Piskunowicz, will leave 4-H after the trip. He is enrolled in the Olds School of Agriculture for the semester starting January 1st.

He will spend 2½ years at Olds, majoring in animal science. Lucas is not yet sure of his future career other than that it will involve livestock.

### CLUB PROPOSED

Anyone interested in starting a power toboggan club in Drayton Valley and area is asked to phone 542-3072 days or 542-2352 and 542-4629 evenings.

Lucas Piskunowicz is shown here with some of the many trophies he won as a member of the Tomahawk 4-H Beef Club.

## Funeral Services for Pioneer Tomahawk Area Resident

Mr. Adolf Domke, a long time resident of the Tomahawk area, passed away on October 31st in the Good Samaritan Hospital in Edmonton. He was 82 years old.

Mr. Domke was born in Russia in 1886. He came to Canada in 1927 and lived for two years at Leduc. In 1929 he homesteaded in the Tomahawk area and lived there until the time of his retirement.

ment in 1963 when he and his wife moved to Drayton Valley. He had been ill for nearly five years and spent over the past two years in the Good Samaritan Hospital.

He worked as a carpenter most of his life, as well as at farming. Many of the buildings in the area were constructed by him, including the Lutheran Church in Tomahawk.

He was predeceased by one daughter, Hertha, who passed away at the age of five in Russia. He is survived by his wife, Mrs. Emma Domke of Drayton Valley and two sons; Samuel of Tomahawk and Gustav of Ardrossan, Alberta.

The funeral service was conducted on Monday at Emmaus Lutheran Church, Rev. Dale D. Mohr officiating. The pallbearers were: D. Schadeck, C. Reich, E. Pezzot, H. Welk, J. Norton, and G. Dusterhoft. Interment was in the Drayton Valley Cemetery.

## Interfaith Women's Group Organized

C. W. L. President Mrs. Marie Leniuk and Social Action Convenor Mrs. Eva Hennessey, hosted two very successful meetings with various other Church Women's Groups in Drayton Valley. The purpose of these meetings is to organize Interfaith Educational Programs for Adults, teenagers and Family Life, dealing with Social ills of our times, as well as endeavoring to assist in many other fields of spiritual and temporal works of mercy within our community, country and abroad.

The next meeting is scheduled for January 1969, in the Lutheran Parish Hall.

The first presentation will be "Drugs-Our Bittersweet Companions" on November 29th at 8:15 p.m. in St. Anthony's School Auditorium. Guest speaker-Mr. Fil Fraser, Supervisor of Community Services, U. of A.

Coffee will be served and a discussion period will follow. Admission free-Everyone welcome.

## Lieutenant Governor to Speak at Rotary Dinner

The Lieutenant Governor of Alberta, the Honorable Grant MacEwan, will visit Drayton Valley on Wednesday, December 4th and will address a Rotary Club sponsored dinner meeting in the Cardium Room at 6:30 p.m. Mr. MacEwan is well known as

### Postpone Plans For Guest Speaker

Due to the late harvest and the Royal Winter Fair taking many possible agricultural speakers out of the province, the Drayton Valley Chamber of Commerce has decided to postpone plans for a guest speaker during November. It had been planned earlier to obtain a speaker on the subject of custom feed lots but this will now be held over to a later date.

an outstanding speaker and the Rotary Club extends an invitation to anyone in Drayton Valley and area to attend this dinner meeting. Tickets are priced at \$2.50 each and are available from any Rotary Club member. Attendance will have to be limited to space available and tickets will be sold on a first come, first served basis.

### ZONE WINNERS

The North Central Zone Cross-Country Girls' Team is the best in Alberta. Their ability was aptly proven at Red Deer, October 9, as they outclassed the five other zone teams.

The boys from the North Central Zone also made a very creditable showing, placing third in a field of seven teams. Calgary Zone earned first place and Central West Zone placed second.

## BERRYMOOR

MRS. D. MARTIN  
Correspondent.

A long time resident of the Berrymoor district, Mrs. Blanche Farnel, passed away in an Edmonton Hospital on October 21st after a lengthy illness. The sympathy of the community is extended to Lloyd Farnel and to the Gilchrist family. The funeral was held in Edmonton on October 25th.

Leo Esqulat, who has been stationed overseas with the Canadian Armed Forces for some time, visited in the Berrymoor district with a number of old friends one day last week. Leo spent his childhood in the Tomahawk district and was well known in Berrymoor.

Clifford and Shelby Johnston and their family of Fort Saskatchewan visited at the home of Clifford's parents, Mr. and Mrs. John Johnston during the weekend.

Mr. and Mrs. Ivan Whittaker of Edmonton were district visitors

over the weekend.

With the return of good harvesting weather, district farmers are extremely busy getting their grain harvested.

Both Harvey VanEmber and Allen Wideman received rather painful injuries as a result of separate falls.

Charles Martin was home over the weekend and has returned to work on a rig near Rocky Mountain House.

A Hallowe'en dance was held at the Lindale Hall on October 25th. A good crowd was in attendance and some very imaginative costumes were to be seen.

Mrs. Isaacs of Tennessee addressed a group of women at the Berrymoor church on Friday evening. Mrs. Isaacs travels about the country giving talks to W.A. groups. Her remarks were very interesting. Following the meeting she was presented with an autographed tea cloth and a cup and saucer from the local W.A. The evening was concluded with the serving of a very tasty lunch.

Mrs. Della Roberts was the hostess for a Tupperware party on

Saturday afternoon, October 26.

The Three B's meeting which was to be held at the home of Mrs. Hattie Barrett on October 26 was re-scheduled for November 3.

Miss Carol Thorsen of Innisfail spent the weekend at the home of her brother, Dwayne.

Some rather odd looking characters boarded the school bus that runs from Berrymoor to Breton last Friday morning. This was initiation day at Breton High School and explains the costumes that some of the students were wearing.

### EXPRESS THANKS FOR APPLE DRIVE

The Cub and Scout Association wish to express their appreciation to those who supported our apple drive. We do however, wish to apologize for the quality of the apples this year. The type we ordered was not available. Thank you again for your support.

All Cubs and Scouts are requested to meet at 10 o'clock on November 11th in uniform at the Legion Hall to participate in the Remembrance Day parade.

## Report From Parliament Hill

By Allen Sulatycky, M.P.

Finance Minister Benson presented his first Budget to the House of Commons on October 22nd. The aspect of it which has brought the most comment is the new Social Development Tax, which in some cases will cost the taxpayers as much as \$120 additional income tax yearly. But aside from this innovation, the Budget revealed several important and new ideas in Government financing.

The reform of Estate Tax to enable a husband to leave his entire estate to his wife without incurring any tax, is one which will be met with a great deal of approval. Many people have considered it unfair that the Government should levy a tax on the estate of one who in his lifetime had already been taxed on the same assets in the form of Income Tax. Also many farmers found the Estate Tax coupled with the Gift Tax, a bar to manipulation of their land holdings. The new provisions will certainly change this.

In addition to the removal of Estate Tax from bequests from husbands to wives, the Gift Tax has been removed on gifts from spouse to spouse.

Perhaps the greatest significance in the Budget is the new approach by the Government to the life insurance companies and to a lesser degree to the chartered banks. Up to the present time life insurance companies were almost wholly free of Federal Income Tax. The insurance companies, of course, represent a powerful force and heretofore no Government appeared to have the courage to impose income tax on them. It is certainly to the credit of the new Finance Minister that at least part of the profits of these companies will

finally be subject to income tax.

In the case of banks, the tax-deductible reserves which they and mortgage loan companies are allowed, will be reduced by half, thereby making these companies greater contributors to the national purse.

Many had hoped that the Government would be able to balance the Budget in the 1968-69 spending year. However, it became obvious to the Finance Department that tax increases large enough to balance the Budget would have to be so severe that they would damage the economy. As a result, the current Budget is so designed that it will be possible by spending restraint and the natural increase in revenues to bring the Budget into balance in the 1969-70 year.

Mr. Benson promised that severe restraint would continue on controllable expenditure programs including a continued freeze on the size of the public service. The vigorous co-operation of the Provinces is to be sought in similar restraint on joint programs under their control.

The joint programs of the Federal and Provincial Governments which are causing such a severe demand on the national economy are the social security or social welfare schemes. Generally speaking, the costs of these programs are split equally between the Federal and Provincial Governments, but the Provinces are solely responsible for administering the plans. The result is that the Federal Government is not in these cases able to control

expenditures because it is committed by agreement to pay one half of the amounts which the Provinces distribute through these programs.

It is hoped that the recognition of this serious problem by Governments will quickly lead to a solution.

In commenting on the economy today, Mr. Benson indicated that Canada is in the period of widespread prosperity, but with troubling problems of inflation and regional unemployment. He said the most urgent need of economic policy is to check inflation to avoid dangers of a new round of price and cost increases.

## ALL LOVE - NO WAR

BY REV. OWEN ISAACSON

Quite recently I was asked my opinion regarding the Hippie's philosophy of "All love - No War." How would you answer such a question?

Certainly the statement portrays a wonderful ideal, but it lacks realism. To discover whether this philosophy is realistic or not, we must of necessity define what we mean by 'love.'

There are basically three types of love. The first is a love of sex or sexual love, which is legitimate within the bounds of marriage. If this is the type of love the Hippies want all men to freely express, it is an achievable goal and in this sense realistic (I am opposed to it). But, obviously, no society can exist under such circumstances, so it is unrealistic.

The second type of love is what may be termed - a love of delight. It is "a love called out of one in response to a feeling of pleasure or delight which one experiences from an apprehension of qualities in another that furnish such pleasure or delight." (Wuest). It is the type of love individuals experience when they discover they have certain things in common. We could say it is the "we hit it off real well" type of love. If this is the type of love the Hippies are referring to in their "All Love - No War" philosophy, it is realistic in the sense that all, or most, people

are capable of this type of love. It is very unrealistic, however, in that no one person is capable of loving everyone in this manner. The only way this would be possible is if all men were stereotypes of one another.

The third type of love is a love which is independent of any pleasurable emotion. It is the love that says, "I do not particularly like what you are or what you are doing, but I'll die on your behalf." It is the type of love a Holy God had for sinful man when He sent His only Son to die on the Cross to free man from the penalty and power of sin.

If all the Hippies are referring to this type of love, their "All Love - No War" philosophy is realistic in the sense that an individual can thus love any man, regardless of his condition. It is unrealistic, however, because this type of love is foreign to the naturally selfish human heart, this is the type of love that the Holy Spirit produces in the heart of all men who know Jesus Christ (by faith) as their Saviour from sin.

All love and no war? Yes! But with the proper type of love.

The wood formed in the later part of the growing season usually has cell walls which are thicker than those formed earlier. This gives the ring effect.

# Breton 4-H Club Awards Night

The Breton 4-H Multi Club wound-up activities of the season with a banquet and awards night in the Funnel Community Hall on Saturday, October 26th.

The club, with 13 members, has enjoyed an interesting season in field crops and garden projects under the guidance of Club Leader Roy Ellis and Assistant Leaders, Eva Durstling, Daphne Oulton, Janet Ellis and Willard Bogart.

On hand to present awards was Miss Judy Murta, Assistant Supervisor of 4-H for the Province. Miss Murta expressed her pleasure at meeting boys and girls of the club again and congratulated them on the activities of the past season.

Field Crop project award winners were:

Junior A, Best Plot, Trevor Cox; Junior A, 1st in Achievement Day Display, Trevor Cox. Junior B, Best Plot, Wesley Oulton; Junior B, 1st in Achievement

ment Day Display, Wesley Oulton.

Intermediate, Best Plot, Roger Smith; Intermediate Achievement Day Display, Roger Smith; and Intermediate Records, Roger Smith.

First place winner in the Garden Project was Elizabeth Ellis who received her prize from Mr. Bert Kellicut, public relations representative for the Alberta Wheat Pool.

Mr. Kellicut, in addressing the gathering, brought greetings from the Wheat Pool, which has been supporting the 4-H movement since 1930. In his interesting address, Mr. Kellicut traced the history of 4-H from its start in the U.S. some 100 years ago to the present day clubs that cover all phases of agriculture.

Mr. Kellicut commented on the excellent support by parents of Breton Multi Club Members. "Leaders," he said, "kindle the

fire, but parents keep it going."

Club Leader Roy Ellis presented all members with certificates showing the number of years each had spent in club projects.

A member of the club, Miss Muri Durstling, was MC for the occasion.

Following a delicious dinner, movies were shown to bring the evening to a close.

Reorganization meeting for the club was held on October 30th and plans advanced for the next season.

## Pharmacist To Speak at Nurses' Meeting

Mr. Howard Pickup will be guest speaker at the regular nurses meeting on Wednesday, November 13th. His topic will be on drugs and how they react on one another.

With many people today taking more than one medication at a time (sometimes unknown to their doctor) it is wise for every nurse to know what effect they have on that persons system. One may counteract the other with no benefit, or harmful effects from too long a usage such as lowering of white blood cells may occur.

Let's get in the know by everyone attending at 8:00 p.m. in the Nurse Residence.

## BURTONSVILLE

MRS. A. HOMME,

Mr. and Mrs. John Henkel of Mewosin visited Cecil and June Homme and family Sunday afternoon.

Alvin and Delia Whitney and their three children of Edmonton also visited Cecil and June and Mr. and Mrs. A. Homme on Saturday evening.

Dick and Lily Wheadon and children visited Lily's parents on the weekend. Mr. and Mrs. A. Homme and the Wheadons visited Cecil and June, also at Buford and Amy Walker and their family Sunday afternoon.

Rev. and Mrs. Kennedy received word that Mrs. Kennedy's sister, Vera of Ontario has been seriously injured in a car accident while visiting in Washington. The people of the community extend their sympathy to the family.

Mr. Bob Lehman has been in the Stony Plain hospital for the past week. Albert Osbak of St. Francis has also been in an Edmonton hospital and expects to be released on Tuesday.

The farmers of the district were happy to see the fair weather and combines went almost day and night as the wind kept the evening dampness away in many cases. The yield has been better than was expected.

## Weekly Livestock Report

The Edmonton weekly livestock report for the week ending November 2, 1968, provided by the Livestock Division, Canada Department of Agriculture.

RECEIPTS	CATTLE-CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	9300	4700	4600	1000	250
Last Week	11249	5675	5574	2426	3237
Same Week '67	14221	7892	6329	3517	1943

On account of improved harvesting conditions this past week, receipts were considerably below the seasonal average. Included in receipts are approximately 1400 cattle and calves through billed from the interior of B.C. This week's trade opened on a more active basis for both slaughter and replacement classes. Sales were predominantly stock calves with a noticeable increase in the numbers of better quality killing steers and heifers on offer. Prices opened 25 to 50 higher under an improved demand for all classes of slaughter cattle. Choice steers sold fully steady for the week with several packages of high yielding kinds at 27.80 and sales to 27.90. Choice heifers were in fair supply selling to 25.80 for fancy kinds. Butcher cows opened 50 to 75 higher for good kinds with the lower grades advancing as the week closed. Bulls 50 higher for the week topping 21.10. Veal calves scarce and rated \$1 higher. Butcher calves sold throughout the week 50 to 75 higher. Replacement steers and heifers were in good demand at values 25 to 50 higher with a few lots of good light feeder steers at 26.60. Stock calves were in good supply with good stock calves mostly 50 higher while good stock heifer calves were 50 to \$1 higher.

## Plan Films at Evansburg Church

The second Family Film Festival and Fellowship Night, sponsored by Advent Lutheran Church, Edmond Yee, Pastor, will be held on Sunday, November 10th, at 7:30 p.m. Feature film to be shown is the "The Drylanders".

This program will be held in the Evansburg Catholic Church, the Rev. A.J. MacKenzie P.P.

The feature film deals with the opening of the Canadian West and the drought that brought depression in the Thirties. The story begins in 1907 with homesteaders staking life and future on the promise of unproved land. Harassed by winter cold and blazing heat of summer, they learned to farm land where moisture was uncertain. Some found the loneliness and the risk too great and gave up. This film is the story of a family who stayed. Principal roles are played by Canadian actress Frances Hyland and actor James Douglas.

The program is open to everyone. Refreshments will be served immediately following the show.

\$250 for each \$100. That's what you can get with this year's Canada Savings Bonds. Here's how.

The new Bonds have fourteen regular annual interest coupons which can be cashed each year as they come due. The first pays 5.75%; the second, 6.50%; the next three, 6.75% each, and the last nine a big 7.00% each. Total regular annual interest amounts to \$95.50 on each \$100 Bond.

If you choose you may hold all these regular annual interest coupons *uncashed* until your Bond matures. If you do, you will then get *interest on your interest* totalling an additional \$54.50 on each \$100 Bond.

At maturity, therefore, you can get back total

interest of \$150 *plus* your original \$100 investment. This way each \$100 Canada Savings Bond becomes worth \$250. Other denominations can grow at the same exciting rate.

Adults, children, businesses and institutions—all may buy Canada Savings Bonds. They are available in convenient amounts of \$50 up to \$50,000 for cash or on instalments, wherever you work, bank or invest. And, as always, Canada Savings Bonds are cashable any time at full face value plus earned interest.

Few investments are so profitable. None builds more surely for the future. Buy Canada Savings Bonds and make your savings really grow.

## Awards Night Ends Gymkhana Season

The grand finale of the gymkhana year was held at the Legion Hall on October 25th in Evansburg when the P. R. R. G. C. held their awards night. With a lovely supper prepared by the Legion Auxiliary and the music supplied by Gene Polohka's Western Band from Edmonton.

Carl Bjornstad, Ivan Gylander and Fred Croft were very capable hands at the refreshment counter and kept it running smoothly. Thanks fellows.

The draw for the Chuck Sheppard roping saddle was made and it went to Drayton Valley. Congratulations to Lorne Sharkey and we're sure "Go-Go Joe" will really go with a new saddle on his back.

John Sinclair and his 20 children has had a very busy year. John set up a Champion Youth Activities for riding with the winner receiving a hand carved saddle made and donated by him. The saddle is a work of art and many an adult would like to have been the lucky winner. The children competed in four shows which consisted of Showmanship, Sportsmanship, Reining Patterns and Trail Classes. There were four judges for these shows, Mr. Bud Currie, Mr. Walter Currie, both of Niton Junction, Mr. Hale Ross, P. V. Ranch and Miss Gloria Schumlar of Leduc.

John Sinclair presented the saddle to Dayton Gorsline. Dayton has competed in horse shows with his pony Bobbi Sox and has won several trophies. Dayton has

also had lessons in English and western styles of riding while at the P. V. Ranch and at the Redigo Ranch at Seba Beach.

Winners for the gymkhana events are as follows: Adult High Point-Ed Lauer, donated by Carlson Holding Co.; Intermediate High Point-Larry Johnson, donated by Lemoways Hardware; Jr. High Point-Ralph Johnson, donated by Pan Lemph family of Holland; Adult Barrels-Ed Lauer, donated by P. V. Ranch; Intermediate Barrels-Larry Johnson, Davies & Carlson; Jr. Barrels-Ralph Johnson, Clarence Willoughby; Adult Stakes-Mary Lauer, donated by Rafter AE Ranch; Intermediate Stakes-Dayton Gorsline, donated by Evansburg Legion; Junior Stakes-Ralph Johnson, donated by Jackie and Harold Harke; Adult Trail Class-Jackie Harke, donated by L & L Livestock; Intermediate Trail Class-Dayton Gorsline, donated by Vern Benjamin, Watkins dealer; Junior Trail Class- Ralph Johnson, donated by Pete and Marc Peterson; Adult Flags-Ed Lauer, donated by O. A. Brown; Intermediate Flags-Larry Johnson, donated by Doug Donnally; Key Hole-Danny McCracken, donated by Ivan Brown; Adult Poles-Ed Lauer, donated by Evan Seedhouse; Intermediate Pole-Robert Ecroft, donated by Gainsford Store; Jr. Poles-Ralph Johnson, donated by J & M Hotel, Evansburg.

Mr. Len Corkey gave a short speech which was enjoyed by all. Replies for 1967 were also handed out. We all enjoyed our evening and sincerely hope all those people who found time to come enjoyed their evening and will come again. Once again thanks to all those who have worked, donated their time to the club and everyone who in anyway has made the Pembina River Riders what they are to date.

### Chamber Meeting

Members of the Chamber of Commerce are reminded of the noon meeting on Thursday, November 7th in the Cardium Room.

## RAMONA

MRS. JEAN STEWART  
Correspondent.

The Ramona Community League would like to express sincere sympathy to Mrs. Domke, Sam, Dorothy and girls. Mr. Domke passed away Thursday in Edmonton. He was buried in Drayton Valley, Monday, November 4th. Mrs. Domke has been in hospital recovering from surgery so was unable to attend the funeral. Best wishes for a speedy recovery Mrs. Domke.

Also sincere sympathy to the Mike Powluk family. Mrs. Powluk's brother, Mr. John Lupushinsky passed away in Edmonton on Thursday and was buried on Monday, November 4th. Mr. and Mrs. Powluk attended the funeral.

We wish Glenna Blatkevicz a speedy recovery. Glenna is in the Drayton Valley hospital after having an accident with their horse. The horse fell on Glenna breaking her back. She also has a few aches and bruises. Does anyone want a cheap horse?

Last Friday night was our harvest supper and dance. A fair crowd attended and everyone there reported having a very enjoyable evening. The flu kept some people home including yours truly but we're looking forward to the New Years Eve supper and dance. A big thank-you goes out to Mrs. Hallett, Mrs. Solomon, Eurcie Solomon, Helen Rybak, Mrs. Mike Blatkevicz and Phyllis Kelly for cleaning up the hall for the dance. Also thanks to the ladies who worked so hard to set up the delicious supper that was served, they were; Mrs. Hallett, Phyllis Kelly, Mrs. Mike Blatkevicz, Dorothy Blake, Beatrice Swap, Marion Knyta and Joan Beauchamp. There was a ladies jacket (to a suit) left in the hall, if it belongs to you just phone 542-2252 and we will see you get it.

Earl, Robert, Roger and Marilyn Rasmussen went over to Cormie Ranch on Sunday to buy Marilyn's 4-H calf. She got a Hereford-Charloais Cross. Marilyn is trying for top honors again this year.

Did you notice the big bright light at Fletcher's? They turned the power on Monday night. Now Mrs. Fletcher will hear the old cry "Can't we leave the dishes until this program is over?"

Happy Birthday to Bobby Godun October 26th; Joan Karpuk October 29th; Terry Godun and Allen Stewart November 9th and Lee Darragh November 13th.

Congratulations to Mr. and Mrs. Woodruff who celebrate their anniversary on Sunday, November 10th.

## D. V. Highlights

BY MRS. EDITH DEBY

Mr. and Mrs. Jim Clark and family will leave in the middle of November for Algeria. They have made many friends during their five year stay in Drayton Valley and are going to be missed. The Clarkes are looking forward to the experience of living in a milder climate and are leaving their warm clothes behind.

Mr. Adolf Domke passed away in an Edmonton hospital last week after a lengthy illness. Mr. and Mrs. Domke were long time residents of the Tomahawk district before moving to Drayton Valley.

Did you hear of the man who hates cattle because he once got caught in a stampede with snow shoes on?

No one laughed more heartily than Police Chief Doig when one of his men brought in a sign to the station on Hallowe'en night that had originally read "Watch for Mean Dog" A prankster had inserted an i between the o and g in dog and was evidently looking for a suitable place to hang his masterpiece when he was put to flight by the arrival of the prowl car.

Mrs. Elmer Madsen and Kathleen have just returned from a

visit with Mrs. Madsen's parents in Saskatoon.

Mrs. Ted Tucker and Mr. and Mrs. Freeman Hill spent last weekend in Creston as the guests of Mr. Pickovance and Mr. Brownbill.

The Women's Institute is much pleased by the generous response of Drayton Valley people to its appeal for warm clothing for Unitarian Service.

Mr. and Mrs. Kenneth Madsen were in Outlook, Saskatchewan, for the marriage of Mrs. Madsen's brother.

Mrs. Ted Mastre, of Dawson Creek, is visiting her son-in-law and daughter, Mr. and Mrs. Roy Hutchinson.

It is always a pleasure to have news of former residents and we were interested to hear that Maxine Morin is now Mrs. Oran Monteth and lives in Calgary.

"Grandma" Mastre celebrated her ninety-third birthday in October. A host of friends dropped by to extend good wishes and several members of her large family were able to be present. Besides Irvin and Mrs. Newman, who live in Creston there were, Ted from Dawson Creek accompanied by his wife and son, Walter and his wife also from Dawson Creek, Mrs. Arthur Iverson, from Meadow Lake, Saskatchewan and Clifford from Quesnel, B.C. Best wishes for many more happy birthdays, Mrs. Mastre.

Mrs. Ida Wallace writes that she has spent the summer at her son's cottage at Lake Simcoe and has especially enjoyed the autumn with its gorgeous coloring.

Congratulations to Mr. and Mrs. Lockhart and Mr. and Mrs. Lloyd MacLean who celebrated wedding anniversaries recently.

Congratulations to Mr. and Mrs. Patrick Brown of Brooks on the arrival of Shawn Patrick.

Mr. and Mrs. Clyde Brown are proud grandparents.

Accompanied by Bernice Ingram and Allison Smale I dropped in at Ole Stordalsvoll's farm on Saturday to watch the threshing machine work. Mr. Stordalsvoll's crop is a good one and all farmers in the area are cheered by the prospect of getting the harvest finished soon. No doubt combines are as efficient and labour saving as many farmers claim. Certainly they save the farmer's wife much hard work but I consider myself fortunate to have been a child in the days of the steam outfits. The long days that began before daylight and ended long after dark, the old engineer who took pride in the fact that he never washed during the six weeks run, the shrill whistle that one was allowed to pull to announce to the women in the kitchen that the men would soon be in to meals, the enormous meals and lunches, the beautiful matched teams of Clydes, Percherons or Belgians that were their master's pride, and the good natured fun and teasing that went on all the time. Yes, the combine is all its own-ers claim it for, but I'm a threshing machine person.

### Secretarys Attend Annual Convention

Mr. and Mrs. Bill Johanneson returned Saturday from the annual convention of the Alberta Urban Municipalities Association held in Lethbridge.

Mr. Johanneson, Secretary-Treasurer of the Town of Drayton Valley, reports many interesting and fruitful sessions on municipal affairs. A resolution presented by Mr. Johanneson on behalf of the town concerning on urban voice in annexations of rural areas around towns and cities, was passed by the convention.

Mr. and Mrs. Johanneson were accompanied on the trip by Mrs. Cumming and Mrs. Burke, Secretary-Treasurers of Evansburg and Entwistle.

## Mortgage Burning Ceremony Held

The Church of God has been helping to meet the spiritual needs of this community since 1912 when Mr. and Mrs. N.P. Dodson (parents of Mrs. Brice Lindgren) moved here and started a Sunday School in their log cabin home.

Later Mr. Dodson donated land on which the hardy pioneers of the community erected the first church building in 1927.

After the discovery of oil and the boom in Drayton Valley the church building was not adequate and in 1955 funds were raised and loans secured for the erection of the present building.

On September 18th, 1955 a Sod Turning Service took place. From that time to the present many people have spent hours of work building and finishing the church and parsonage.

A final mortgage supper was held on Monday, October 28th at which time a "mortgage burning ceremony" took place to mark the end of financing the building.

### Remembrance Day Service at Evansburg

The Remembrance Day Parade November 11th will assemble at the Legion Hall in Evansburg at 10:00 a.m. The parade will move from the Legion Hall to the Evansburg High School for the service at 11:00 a.m.

There will be a dance held in the Legion Hall at 9:00 p.m. to 1:00 a.m.

The "Citizen of the Year" award will be presented at the dance. This award will be presented annually by Branch 196 of the Royal Canadian Legion in Evansburg.

### KEEPPHILLS NEWS

The Birthday Club met for the final gathering for the 68 season at Thelma Porters, Sharon Moger Viola Porter and Mable Bryant acted as hostesses. With paper and pencil we all matched our wits in a few games. There were two dropped out and at least one new member was added.

Mrs. Evelyn Moger is improving from her bruises received a few weeks ago in a car mishap near Stony Plain.

With nice weather the last week or so, farmers have done a good job in picking up their swathed grain and also of getting what was still standing in a mass of twisted straw after the fall of snow on it a few weeks back.

Mr. Raymond heard recently of his cousin from eastern Canada being badly injured in a car accident in the U.S.A. Among her injuries was a broken back.

It was a quiet Hallowe'en here in this area. The little goblins were out for a good time and seem to be having it on their search for treats. They were all very courteous.

## Golden Bears Edge Rebels

The Drayton Valley Rebels started the 1968-69 hockey season last Saturday, November 2nd with an exhibition game against the U. of A. Jr. Golden Bears.

A good crowd was on hand to witness a close scoring game. Due to the close scoring the game never lacked excitement. Although the Rebels got off to a slow start with their young import goaltender Peter Zapisocky suffering from a slight case of gun-shyness allowed three goals in the early part of the first period. He then settled down and Jim Dunn scored the Rebels first goal on a hard shot just from inside the Bear blue line. The first period ended with the score 3 to 1.

In the second period the D.V. goaltender proved his ability by kicking out 11 Golden Bear shots.

Lyle McGinn scored the Rebels second goal when he banged in a puck from 15 feet out that was centered by Rod Colbert. This narrowed the gap to 3 - 2 as there was no further scoring.

The third period had plenty of action with a total of six goals scored, three by each team. The Bears started quickly by scoring at the 32 second mark against Barry Pankewicz last season's regular goaltender. But the Rebels roared back to score two goals, one by Ron Hemmingway who picked up a loose puck just inside the Rebel red line and fired a hard low shot past the Bear goaltender. Then Barry Ness scored a picture goal when he took a good pass from Dan Davie and broke in all alone, pulled the goaltender and tucked the puck in behind him.

Unfortunately Barry missed another good scoring opportunity when he was streaking down left wing in the clear when the lead pass was too far ahead of him.

The Bears scored 2 quick goals at 11:27 and 11:57 to go ahead 6-4. Al Hopfe closed out the scoring when his centering pass deflected in off one of the Bears.

## ROCKY RAPIDS

It's nice to see Mr. and Mrs. Louth home again after their car accident.

The community wishes to welcome Mr. and Mrs. Armstrong and Mr. and Mrs. Johnson, Mr. and Mrs. Bramhill, Mr. and Mrs. J. MacKenzie Jr. and Mr. and Mrs. McCafferty.

Garry Swap is home after being rushed to Edmonton for an emergency eye operation when he was hit by a flying pencil at school.

Get well wishes to Robbie McCullagh and Rene Belya.

Mr. and Mrs. Schultz Sr. are visiting the Manuel Schultz family.

Mr. Wilfred Townsend is in Edmonton attending mechanics school.

Mr. and Mrs. J. Machon were visitors at the D. Sullivan home.

Tickets are now on sale for the Supper and Dance on November 22nd.

### *... a chief vegetable technician?*

As Horticultural Technician in charge of vegetable production at the Alberta Department of Agriculture Horticultural Station in Brooks, Allan Reesor is a man with a garden most people wouldn't believe. He is responsible for growing the raw materials for a pilot project to determine the feasibility of a vegetable production industry in the province. From his plots come recommendations as to the variety of each vegetable best suited to the area; the most efficient methods of planting, growing and harvesting. Experts at the Horticultural Station not only experiment with the production of various vegetables but also test methods of processing, types of packaging and methods of marketing. Every possible assistance is given to Alberta farmers in selecting the fruit, ornamental and vegetable varieties most suitable to local conditions.

### *... an upside-down observer of Alberta?*

Harold Von Hollen usually remains right-side-up, but to him most of our province appears topsy-turvy. He is an instrumentman with the Surveys Branch of the Alberta Department of Highways and spends a great deal of his working time peering through a transit, which gives him a "bottoms-up" view of the land which he is surveying. This branch is charged with the tremendous task of surveying every inch of the 255,285 square miles that go to make up the Province of Alberta. Highway right-of-way is only a small portion of the work done which also includes duties ranging from advising on the marking off of a homestead, to providing the survey datum for locating an oil well site. From prairie farmland to mountains to northern bush, the Surveys Branch is engaged in a complicated system of triangulation that charts property boundaries to a very small margin of error, providing an accurate measurement of Alberta's terrain.

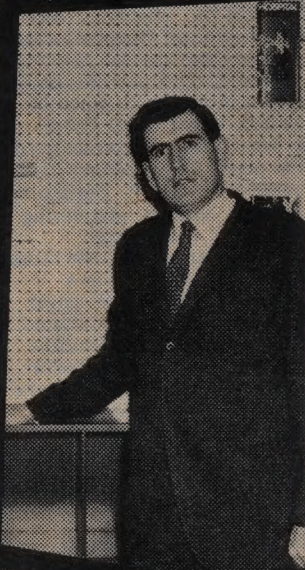

## have you ever met...

### *... a black bear tagger?*

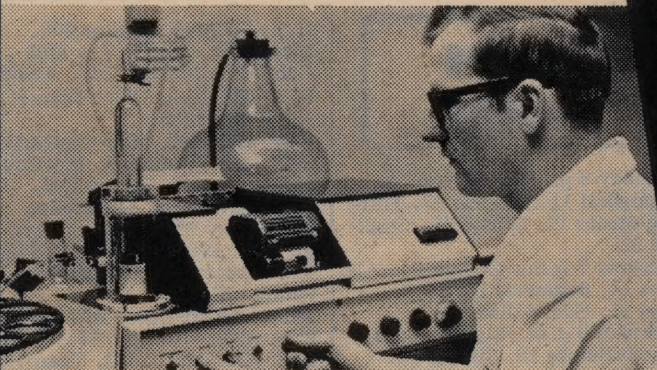

To make a proper study of the migration habits of Alberta's black bears, each animal must be identified in some manner. Milan Novak, wildlife biologist with the Fish and Wildlife Division, Alberta Department of Lands and Forests, takes care of this problem by first tranquilizing the bears, then attaching colored streamers to their ears. This makes the animal easily identifiable from a distance and assists in the inventory of Alberta wildlife being conducted by the Branch. This survey has a dual purpose. It is meant to determine the extent of the province's wildlife population and to measure the amount of natural habitat and forage available. With this information on hand, Fish and Wildlife Division personnel are able to maintain a proper balance between population and land necessary for their support. Such research is a continuing and important segment of the activities of the branch on behalf of Albertans.

### *... a guidance counsellor for vocational guidance counsellors?*

John Flaherty, of the Counselling and Guidance Branch, Alberta Department of Education, has the responsibility of keeping the province's many school vocational guidance counsellors up-to-date on the latest developments in career opportunities for graduating students. The Branch is currently preparing an exhaustive reference work called a "careers kit" which will be circulated to schools in the province and which details the latest reference material available on the increasingly diversified careers in our urban society. Through Mr. Flaherty, and the Guidance Branch, hundreds of school guidance counsellors in Alberta are better prepared to advise the youth of our province on their choices of future careers.

### *... a livestock dietician?*

Livestock, like people, need a properly balanced diet to thrive and grow. Adolph Wittmeir is an expert at determining the contents of animal feed and his skills are available to Alberta farmers through the Soil and Feed Testing Laboratory of the Plant Industry Division, Alberta Department of Agriculture. Laboratory services include the analysis of basic home-grown feeds, feeding recommendations and diagnosis of special feeding problems. Any livestock producer can avail himself of the services of the Laboratory and its expert personnel merely by supplying his District Agriculturist with a sample of the feed for analysis and a prescribed information sheet. More efficient use of available feeds, gained through the services of the Soil and Feed Testing Laboratory, means improvement in the economy of Alberta livestock production.

### *... a theatre-goer who never sees the movie?*

Kenneth Kremer does most of his movie-going when the house lights are up and the screen is dark. He's one of the theatre inspectors who travel the province for the Amusement Branch of the Alberta Provincial Secretary's Department, inspecting every theatre and entertainment hall. It is their responsibility to ensure that all precautions are taken to safeguard the public and that regulations regarding facilities and cleanliness are followed. In addition, the Branch supervises training of motion picture projectionists, conducts examinations to make sure that they are properly trained in the use of the very advanced equipment used in today's movie houses, and issues licenses to those who qualify. In this way, the Amusement Branch contributes to Albertans' enjoyment of uninterrupted motion picture entertainment in safe, pleasant surroundings.

## Char-Cross Feeder Sale Successful

The first Char-cross feeder sale held at Drayton Valley on October 30th, proved successful with approximately 50 head of calves on offer.

The bulk of the steer calves sold from 32.00 - 37.25 per 100 with heifer calves selling from 22.50 - 26.75 per 100, depending on quality.

Cornie Ranch of Tomahawk topped the sale with a package of Charolais - Hereford cross calves bringing in 37.25 per 100.

Most of the calves were purchased by Ben Schroder of Lacombe who is the assistant secretary for the Canadian Charolais Association.

Another Char-cross sale is planned for next fall.

## Town Couple Wed in October 19 Ceremony

A lovely wedding was solemnized Saturday, October 19th, 1968, at 3:30 p.m. when Valerie Margaret Elizabeth of Drayton Valley only daughter of Mr. and Mrs. Walter Krause of Pigeon Lake, Alberta, became the bride of Mr. Dwayne Norman Swendseid, son of Mr. and Mrs. Norman Swendseid of Drayton Valley. For the occasion the Drayton Valley United Church was decorated with bouquets of white gladioli and yellow shasta daisies with white satin bows and daisies marking the pews. The wedding music was played by Mrs. P. Upright and Mrs. R. Kittlitz sang during the signing of the register.

Given in marriage by her father the bride looked lovely in a white nylon sheer overnet gown which featured a lace applied fitted bodice, scooped neckline and three-quarter length sleeves. The full train fell softly from the waistline. The bride wore her mother's wedding veil for the occasion, pearl drop earrings a gift of the groom. She carried a colonial style bouquet of white roses.

The bride was attended by Mrs. Sharon Bright, Miss Arlene Swendseid, Miss Jo-Anne Swendseid and Mrs. Susan Norum who wore full-length avocado green peau-de-soie dresses styled with empire waist and lace puffed

sleeves. They carried white shasta daisies in colonial style and wore green bows in their hair. Miss Pamela Krause, cousin of the bride, was the flower girl and wore a white dress with an avocado green sash and carried a basket of white shasta daisies.

Mr. John Bright; Mr. Glen Swendseid, brother of the groom; Mr. Robert Krause, brother of the bride; and Garry Hinecker attended the groom. Master Donald Krause, brother of the bride, was the ring bearer.

For her daughter's wedding Mrs. Krause chose a raspberry red matching red dress and coat ensemble complimented by a raspberry red orchid corsage. The groom's mother wore a brown and beige matching dress and coat ensemble and a yellow orchid corsage.

Following the ceremony the reception was held at the Elks Hall, Drayton Valley. The bride's table was covered with an avocado green cloth overlaid with net, and centred with a two-tiered wedding cake which was flanked by tall green and white tapers.

Out of town guests came from Calgary, Edmonton, Drumheller, Leduc, Wetaskiwin and Assiniboine, Saskatchewan.

The young couple will make their home in Drayton Valley.

## Heavy Agenda for H.S. Meeting at Alder Flats

The Alder Flats Home and School meeting was held in the school on Wednesday, October 23rd with twenty-six in attendance.

Mr. Moore enlightened the members on the Ross Memorial Monument and Fund. Part of the memorial money will be used for a monument in memory of Mr. Ross and the remainder put in a fund to be used for awards to students from grades one to eight for the highest marks achieved during the year. This is to be done annually for as long as the fund exists.

As the Buck Lake Ladies C.W.L. have discontinued the twenty-five dollar scholarship to our grade nine student with the highest marks the A.F.H. & S. have decided to award both grades nine and ten with fifteen dollars each with part of this money used for awards and the rest cash.

The parent and teacher interview is scheduled for November 15th. Mrs. Marie Blades and Mrs. Agnes Schaurite are in charge of lunch in the morning and Mrs. Darlene Seely and Mrs. Bernice Johnson for the afternoon.

Membership fees are being dropped for this year so all parents are automatically a Home and School member. Parents are urged to attend these meetings and participate in the discussions and decisions.

The teachers served a delicious lunch in climax of the evening. The next H. & S. meeting will be November 28, 8:00 p.m.

Mrs. Hayduk gave the Cub and Scout report at the Home and School meeting as follows:

The Cub and Scout Group Committee held its first meeting in September. The executive and committee chairman for the coming season are: Chairman, Ken Hayduk; Secretary, Elsie Seely; Treasurer, Marie Pye; Finance, Morris Dunn; Training, Dave Beatty; Badge, Mrs. Howatt; Camping, J. L. Seely; Transportation, Dave Robinson; Public Relations, Anne Olsen; Sponsors, Re-

lations, Joyce Hayduk and Ladies Auxiliary, Mrs. Ethel Seely.

October 1st was registration night, fourteen Cubs and four Scouts registered. Cub leaders this year are Cubmaster Wayne Linneberg; assistants Mr. Schaurite, Mr. Hall, Vince Schaurite and Dave Dunn. Scout Master is Bill Pye.

The boys meet Monday evening at 7:00 p.m., Cubs at the school gym, Scouts at the community hall. The property previously leased by the Fish and Game Association is now being leased by the Boy Scouts of Canada. It is hoped the boys will use every opportunity to make use of this land for meetings, camping, hikes, etc.

The annual district council meeting is being held in Alder Flats this year. The Cub and Scout Auxiliary are catering to the banquet. This will take place at the community hall on November 15th.

Once again this year the boys will be selling Christmas cards as a fund raising project, they had their bottle drive on Saturday, October 26th. The Scouts are hoping for more boys to join their group so if interested attend the next Scout meeting.

## LIBRARY NEWS

The library board wishes to thank Mr. Chester Miller for his generous cash donation to the library. Mr. McDonald's gift of National Geographic is also much appreciated.

If you enjoy Science Fiction you will want to read "Last Door to Aiyah". This is a selection of the best new science fiction from the Soviet Union. We have just obtained a copy of Alan Paton's "Cry, the Beloved Country" This book, which first came out in 1948, is one of the most popular books ever to be written about Africa. Perhaps you would like to read it again if you have already done so. Sometimes, for no reason one can see, really good books stay on the shelves month after month without getting any attention. Such a book is "I Try to Behave Myself" by Peg Bracken. It is a witty little volume with all sorts of good advice on behaviour. One is told; how to deal with the telephone (with a guide to social lies); Parent-Child Relationship (What children should learn and the sooner the better); how to order from a French menu if you don't know French etc.

## Drayton Valley Members To Attend City Convention

Over 25 members of the Drayton Valley congregation of Jehovah's Witnesses will be traveling to Edmonton on November 8 to attend a 3-day semi-annual convention to be held at the Jasper Place Composite High School. Mr. Tom Moss, presiding Minister of the local congregation, remarked that this convention is similar to the one held in Drayton Valley last May.

When asked about the purpose of this convention Mr. Moss stated that the program primarily will show how Bible principles can be applied in family circles

to build a happy family life. "In addition, accelerate our Bible teaching campaign" said Mr. Moss.

The keynote address at the convention will be delivered on Sunday, November 10th at 3:00 p.m. by the District Supervisor, Mr. D. G. Clegg. He will speak on the topic "God's Way Is Love" and will conclude the convention program at 5:00 p.m. with closing remarks on the subject "Moral Responsibilities of Parents and Youth". All sessions are open to the public and no collection is taken.

A Natural Gas Service Reminder from Northwestern Utilities, Limited

## Give Your Heating System a Safety Check-up

Normally, your natural gas appliances and heating system operate with little care or maintenance. However, an annual check-up will ensure full efficient operation and complete comfort. To help you inspect your heating system, use this handy guide.

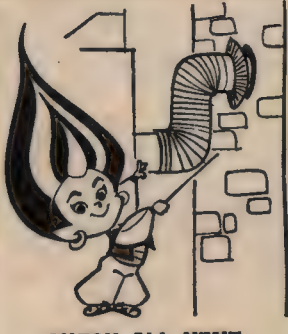

### CHECK YOUR CHIMNEY:

Loose mortar, soot, and other debris may accumulate at the base of the chimney obstructing free passage of the products of combustion. Watch that ice and snow on top of the chimney do not cause blockage.

### RANGES SHOULD NOT BE USED TO HEAT A ROOM:

Do not use your kitchen range to heat a room. Use a proper heater designed for the purpose.

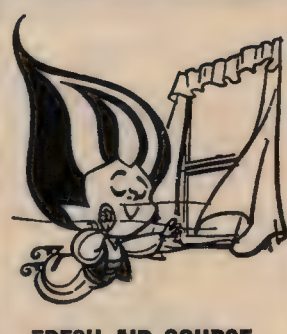

### CHECK ALL VENT PIPES:

Examine all appliance vent pipes. A dislodged vent may block the end of the pipe, or permit exhaust to enter the room.

### BE ALERT TO DANGER SIGNALS:

Smarting of the eyes, nose irritation and unpleasant odors are indications of fumes in your home.

### FRESH AIR SOURCE:

Be sure there is a source of fresh air in your home. Do not keep your house "air-tight". Your gas appliances, like you, need air.

### P.S. Note re furnace filters!

Now's the time to check filters on your natural gas furnace. Filters that are clogged with dust and dirt cause heat loss, and can cause damage to your furnace. Furnace filters should be replaced or cleaned at least twice a year.

MRS. D. MARTIN  
Correspondent.

Mrs. Olive Thatcher accompanied by her mother, Mrs. Shaw, left last week for a trip to the United States that will take them as far south as Texas. Happy travelling is our wish to these folks.

Many spooks and goblins of various shapes and sizes were seen around the district on Hallowe'en. A party held at our Community Centre, sponsored by the local church, provided lots of laughs and fun for those who attended.

The W.A. of the Berrymoor Pentecostal Church held a meeting and a quilting bee at the home of Mrs. Muriel Campbell on Wednesday, October 30th. It is expected that this quilt will be auctioned off in the near future.

The Berrymoor Three B's Club held a meeting last Saturday at the home of Mrs. Hattie Barrett of Breton. Twelve members were present, also one visitor. The visitor was Mrs. Manie Clarke of Breton. Mrs. Clarke was president of the club when it was first organized many years ago and she was then a resident of Berrymoor. It was a real pleasure to have her with the group once again. Names were exchanged for Christmas gift giving and a number of fund raising ideas were discussed.

Mr. and Mrs. Gordon Tryon and baby daughter visited relatives at Alsike and Berrymoor over the weekend.

Pat Gawgan from Rutland, B.C. was also a district visitor.

Dennis Haight had the misfortune to sustain a serious injury as the result of a fall at his home on Saturday afternoon. Dennis is a patient in an Edmonton hospital and we all sincerely hope that he will be well again soon.

Mr. and Mrs. Walter Joneson and family of Edmonton spent the weekend at their farm home.

Charlie Martin, who is employed near Rocky Mountain House, visited at the home of his parents, Mr. and Mrs. Donald Martin, over the weekend.

For many of us, inability to pay decides questions that worry the rich.

## EVANSBURG NEWS

MRS. M. BRUNER  
Correspondent

The change in the weather has certainly been for the better lately and farmers around here are taking full advantage to get all crops harvested. To break the long days of harvesting a few meetings have taken place in the area recently.

The Boy Scout District Council met in the village office meeting room for the last regular meeting of the year. Only a few were present to put the final touches to the plans for the annual meeting to be held in Alder Flats on November 15th. By all the reports given, it seems that Cubbing and Scouting are well on their way in the various districts represented.

A meeting of the museum society took place in the basement of the Legion Hall. Several interested people attended even if the weather was fit for harvesting. It was decided to carry on with the same executive that had been appointed before on a temporary basis. That is, Mr. Carl Bjornstad will be President and Mrs. Fausak will carry on as Secretary. Several committees were formed and those people appointed to them are to begin organizing their various sections. It was decided that more inquiring into property means would be done before the next meeting which is to take place on November 27th.

The gymkhana club held their annual awards night and banquet at the Legion Hall recently. A very good crowd attended this event.

A wedding of interest in the district took place last week when Miss Lenz of Gainford became the bride of Mr. Art Beckert of Evansburg. Best wishes to this young couple.

A meeting of the Community League took place with representatives from various organizations there to discuss the operation of the Centennial Arena. Five people from the group were elected to form an Arena committee.

Get well wishes go to Mrs. J. Otto who is in an Edmonton hospital.

## JUNIOR HIGH NOTES

The Childhoods' End played at the Junior High Hallowe'en dance on November 1st. The affair was an enjoyable one for all who attended.

Mr. Reid is directing the intramural games which take place at noon this year. The individual houses have the following points: Red-1600, Gold-2020, Blue 2185, Green 2310. A plaque will be presented to the captain of the winning house at the end of the year.

The School's three clubs which are the debating club, science club and drama club are progressing satisfactorily.

## ENTWISTLE NEWS

The winners of the prizes of the Nu-Vu Furniture Store were Jens Jorgensen of Wildwood; August Reich of Magnolia and Gordon Oliver of Entwistle.

Mr. and Mrs. John Oliver and family attended the wedding of Bernice Haggith and Ray Galas in Edmonton on October 26th. Bernice is a niece of Mrs. Oliver.

The Firemen's Ball was held October 26th with a fair crowd in attendance. A plaque was presented to Mr. Grant McDougall for his work as a captain of one of the crews. Bryon Brown and Terry Boles were also presented with a gift for their work in the Junior Fire Department. The evening was spent in dancing and all seemed to enjoy themselves. A lovely lunch was served to round out the evening.

If it were as easy to arouse enthusiasm as it is to arouse suspicion, just think what could be accomplished.

## MF 180 WESTERN

**Big enough to handle  
western-type challenges..  
at far less cost**

The moderately priced MF 180 Western subdues the demanding jobs in "big acreage country" easily and comfortably. A powerful direct-injection diesel engine is teamed with Multi-Power transmission for maximum efficiency with minimum attention. MF 180 Western controls are grouped for easy reach and fingertip operation; there's abundant leg room. The padded Float-O-Matic seat and tilt-and-telescope steering wheel are adjustable. And Massey-Ferguson hydrostatic power steering makes all this brawn remarkably easy to handle — you stay "at ease" through the longest day. Come in and see why we say "the MF 180 Western handles more acreage with more comfort than others in its horsepower and price class."
